1.0 Introduction

The Student Lifecycle guidelines serve as a comprehensive framework designed to support students throughout their academic journey at the University of Lagos. These guidelines outline the processes and procedures that ensure a cohesive, consistent, and supportive environment from admission to graduation and beyond. By clearly defining the stages of the student lifecycle, we aim to enhance the student experience, promote academic success, and foster personal and professional growth.

Our commitment to student success is reflected in these guidelines, which are rooted in the principles of accessibility, equity, and excellence. We strive to create an inclusive and engaging academic community where every student can thrive. Whether addressing academic advising, financial aid, mental health support, or career services, these guidelines provide a clear roadmap for students and staff to navigate the university experience effectively.

This document is intended for students, faculty, and administrative staff, offering a detailed overview of the guidelines and practices that underpin the student experience. By adhering to these guidelines, we ensure that all students receive the support and resources they need to achieve their educational goals and prepare for a successful future. In addition, the student handbook will provide more detailed information for adjusting to life in Nigeria, including external resources for international students, and information on university facilities and resources. A copy of the Student Handbook can be accessed on the University's website.
